

Discover "Grow Her Business," a website that showcases and describes nearly 200 best-in-class resources that will help grow YOUR business.

GROW HER BUSINESS

A Resource for Start-up to Scale-up

1. Visit our new website, <http://www.womenbizinfo.sites.usa.gov>.

2. Choose the business stage that best describes your company:

IDEATE

For new entrepreneurs beginning to develop their business plans

START-UP

For entrepreneurs testing products and finding their customer bases

SCALE

For established entrepreneurs who are ready to accelerate production and go big

GROW

For seasoned entrepreneurs seeking continued development

3. Browse resource types specific to your needs.

- ✓ Find technical assistance programs
- ✓ Search for education opportunities
- ✓ Discover financing options
- ✓ Expand your network

4. Find a resource that's right for YOU!
